## Dia Bras Increases Non-Brokered Private Placement Unit Offering

---

Montréal, Québec – March 24, 2009– **Dia Bras Exploration Inc.** (TSX-V: DIB) ("Dia Bras" or the "Company") announced today that, further to its March 11, 2009 news release, the non-brokered Private Placement financing has been oversubscribed and the maximum has been increased to \$1.98 million from \$1.85 million. Up to a total of 36,000,000 million Units at a price of \$0.055 per Unit will be issued in accordance with this financing. Please refer to the press release dated March 11, 2009 for more details.

After taking into consideration this increased maximum of the private placement, the Company will have 203,251,269 common shares issued and outstanding.

### **About Dia Bras**

Dia Bras is a Canadian exploration mining company focused on precious and base metals in the State of Chihuahua, in northern Mexico. The Company is committed to developing and adding value to its assets – the Bolivar copper-zinc project and the Cusi silver mining camp. The Company trades on the TSX Venture Exchange under the symbol "DIB".
